LIME KILNS

A short walk from the Black Mountain Camp in Center Haverhill, now owned by Leon Smith of New York City, brings the seeker to the little known Lime Kilns—all that remain of a once flourishing industry.

Sometime prior to 1841 limestone was discovered at a spring near the foot of Sugar Loaf, larger beds of limestone were later discovered on the west side of Black Mountain. It was theorized these beds extended nearly to Haverhill Corner. The beds and nearby woodlands were purchased by a Mr. W. Gannett and he built the kilns for the burning of lime. The larger kiln, shown in the cover photograph, was built in 1842 and restored during the 1930's by the Civilian Conservation Corp. The stone burnt here produced 50% to 57% pure lime by weight.

Governor John Page was influential in making the surveys of the limestone deposits and in the development of the industry.

To quote the New Hampshire State Geologist, Charles T. Jackson, in 1842, "The great bed of limestone in Haverhill is now wrought on a large scale, and the lime proves to be of excellent quality. It is sent to various parts of the State, and a steady demand for it continues."

The industry did continue for many years. During the Civil War, Hubert "Hub" Eastman worked as a lime burner at the kiln. In the 1870's, Charles Dunkley, father of Selectman Roy Dunkley, was engaged in hauling lime from the kiln to Bradford, Vermont.

The area of all this activity is now quiet and the trees are doing their best to hide the old kilns.

ANNUAL TOWN MEETING WARRANT[™]
State of New Hampshire

To the inhabitants of the Town of Haverhill in the County of Grafton qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, March 12, 1957, at ten o'clock in the forenoon, to act on the following matters:

Article 1. To choose a Town Clerk.

Article 2. To hear the reports of the Selectmen, Treasurer, Cemetery Commissioners, and any other town officers heretofore chosen and to pass any vote relating thereto.

Article 3. To choose one Selectman for the term of three years, a Town Treasurer, one Highway Agent, one or more auditors, one Library trustee for the term of three years, one Cemetery Commissioner for the term of five years, one Trustee of trust funds for the term of three years, and all other necessary Town officers.

Article 4. To see if the Town will vote to contribute funds for the construction of Class V highways, as provided in Chapter 188, Part 13, Laws of 1945, and to raise and appropriate the sum required for this purpose.

Article 5. To see if the Town will vote to make any alterations in the amount of money required to be raised and appropriated for the ensuing year for the support of the Town, as recommended by the Finance Committee in its budget report, to raise and appropriate all sums so determined for the purpose so determined, and to pass any other vote relating thereto.

Article 6. To see if the Town will vote to authorize the Selectmen to issue interest-bearing Notes or Orders to provide for the current year's expenses in anticipation of taxes.

Article 7. To see if the Town will vote to authorize the Selectmen to distribute the inventory blanks by mail, or at the time they examine the taxable property.

Article 8. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Collector's deeds.

Article 9. To see if the Town will vote to appoint or elect a budget Committee to supervise the appropriations of the Town, and to recommend to the next Annual Town Meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

Article 10. To transact any other business proper to come before said meeting.

Given under our hands and seal this first day of February A.D. 1957.

EDWIN A. SPOONER

Selectmen of Haverhill

This is a temporary warrant. Articles may be added up to the time of posting.

REPORT OF THE SELECTMEN

To the Citizens and Taxpayers of the Town of Haverhill:

We herein submit our annual Report for the year ending 31 December, 1956. Our detailed statements will be found on the following pages of this report.

At the very beginning of this new year 1957 the whole Town was shocked and saddened with the death of Chief of Police Henry S. Knox. Chief Knox had served his Town as Special Officer for over twenty-five years and as Deputy Chief and Chief for almost five years. His work with the Department was an aid and benefit to to all who worked with him. His passing will be felt by everyone.

During this past year, despite rising costs, all departments have lived close to their budgets. This could only be done though close supervision and careful accounting.

We are happy to welcome the Northern Hardwoods Corp. into our Town. We hope that their new location in North Haverhill will be profitable for them.

Again we wish to express our thanks for the continued cooperation of all the Town Officials and the public's interest in Town affairs.

EZRA B. MANN

ROY E. DUNKLEY

EDWIN A. SPOONER

Selectmen, Town of Haverhill

YOUR TOWN DUMP

Use it freely

Care for it

Your town dump has been set up for your personal convenience. It provides a suitable place where you can dispose of the large amounts of dangerous, inflammable waste material and other useless items which accumulate around your household and local stores, brush, etc., cut on your property. The town dump has become a valuable and indispensable asset in modern community life.

The most successful town dumps are supervised—regular days provided for their use and inflammable material consistently burned. The town dump which receives no attention, where waste material is scattered about without supervision of any description, soon becomes a community menace and a liability rather than an asset.

Many people still burn debris around their homes. A large number of such fires get out of control causing unnecessary damage and expense to the burner. Why burn at home? Make use of your town dump and eliminate the hazard of burning. It will be easier for you—personally and financially.

If, however, you do burn on your premises

1. Secure a permit from your local forest fire warden—the law requires it. The warden won't refuse you if conditions are safe.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty

Use your dump freely

Help keep it safe

WOODSVILLE FREE PUBLIC LIBRARY

Report of the Librarian

A summer book club for pupils of the grade school was promoted by the librarian with the assistance of Mrs. Pendo.

Class instruction on the use of the library has been given by the librarian. High school English classes have exhibited book covers in the library. A drawing of Daniel Webster by Norma Johnsen is on exhibit in commemoration of the 175th anniversary of his birth.

Mrs. G. H. McGaw represented the trustees at the New England Library association meeting and the New Hampshire and Vermont joint meeting and the meeting of the trustees called by Governor Dwinell. Her interest in library services is greatly appreciated. The librarian attended two of the above meetings.

Miss Ruby Miller has assisted with the clerical work and Mrs. Esthe Mitchell with the filing.

A new furnace has been installed; and a much larger desk and typewriter been made available for our use.

Book week was observed with exhibits and the library open every day. Circulation figures for that week were 596 books loaned. Circulation figures for the year ending with December 1956 were 16,817.

Four new members were welcomed to the teaching staff in September. One at the graded school and three at the high school. Mrs. Doris Demick received a B. S. in Education from Lyndon Teachers College and has graduate credits at Boston University. She replaced Miss Lang as teacher in grade one. Mrs. Demick is also reading consultant for the building staff. Mrs. Barbara Jones is acting as assisting teacher in the building and Mrs. Barbara Weed teaches kindergarten and assists in grade 1.

At the high school, Mr. Mather Cleveland, Jr., of New London, replaced Mr. Stohrer in the English department. Because of ill health, Mr. Cleveland was relieved of his duties in October and Mrs. Eleanor Pendo took over his classes. Mrs. Pendo holds a B. A. degree from the University of New Hampshire and previously taught at Berlin High School.

Mrs. Ruth Marshall of Lisbon, New Hampshire, filled the position vacated by Mrs. Covell as Home Economics instructor. Mrs. Marshall has a degree of B. S. in Education from Framingham, Massachusetts, State Teachers College and has done graduate work at Cornell. She previously taught at Lisbon, New Hampshire, and at Newport, New York.

In the field of Industrial Arts, Mr. John Gordon of Woodsville replaced Mr. Chase. Mr. Gordon graduated from Keene Teachers College with a degree of B. Ed. He previously taught at Charlestown, New Hampshire.

Although the nature of society and the resulting needs of citizenship determine *what* should be taught, the nature of the child determines to *what extent* it can be taught, *when* it can be best taught, and *how* it can be taught. The needs of a child thus determines what should be taught and the nature of the child determines *method*.

Underlying every school system there is an educational philosophy, assumed or expressed. Education is preparation for complete living, for citizenship in its broadest sense.

With each succeeding generation, more persons work for others. This also brings new responsibilities to the schools. Each person today, more than ever before, needs to see the relationship between his work—and the quality of this work—and the welfare of himself, his family, and his community.

The reports of Principal Pendo and Mrs. LaMott, which follow this report, detail some of these responsibilities.

The cooperation of the parents, the activities of organizations, and the support of the citizenry of the schools is acknowledged and appreciated. The continued loyalty of the school personnel and the conscientious efforts of the School Board members are the means by which the Woodsville schools maintain a successful philosophy of education.

Respectfully submitted,

PHIL A. BENNETT

Superintendent of Schools

Woodsville, N. H.

REPORT OF THE PRINCIPAL

To the Superintendent of Schools:

I herewith submit my annual report of Woodsville High School for the year ending January 31, 1957.

Enrollment

The enrollment for the school year 1956-57 included 154 pupils.

Distributed according to classes they were as follows:

Seniors	29
Juniors	34
Sophomores	47
Freshmen	44

Total	154
-------	-----

Graduates

Diplomas were awarded to the following graduates on June 14, 1955:

Barbara Ashley	Virginia Poor
Dean Bedell	Roger Powers
Ronald Bedell	Russell Richardson
Priscilla Boutin	Thomas Riley
Jane Marie Burt	Douglas Rowe
Robert Campbell	Ernest Roy
Arlene Carr	Barbara Sanborn
Ronald Darby	Robert Stone
Wayne Doe	Carlene Tardiff
David Douglas	Jo-Anne Tewksbury
Marquerite Locke	John Winn
Carroll Nihan	Peter Zambon
Allen Paradie	

Scholarships

The following scholarships were awarded:

First Honor: Wayne Doe
Second Honor: Charles Taylor
Third Honor: Barbara Sanborn
Fourth Honor: Virginia Poor

The Alumni Attainment award was given to Charles Taylor, the Perley N. Clark Awards for excellence in music went to Barbara Ashley and Ronald Darby; The Bausch and Lomb Science award was given to Wayne Doe; Staff sergeant James M. Jackson award for excellence in U. S. History went to Charles Taylor. A Year's subscription to Reader's Digest for being the valedictorian of his class went to Wayne Doe. Danforth Books for leadership qualities were awarded to Roxanna Walker and Robert Campbell.

Activities

The activities program consisted of the following: Compulsory physical education for both the girls and the boys. Miss Lois E. Litz directed the girls, and Mr. Robert Dumais directed the boys. The following sports were carried on: softball, tumbling, volley ball, fencing, baseball, and basketball. In conjunction with this program, every boy and girl received a physical examination through the courtesy of the School Board of Education.

In the spring of 1956, Mr. Frank Woodward, and assisted by Mrs. Arlie Covell, put on "American Passport" as the annual school play. It was well received and much enjoyed by the audience.

The cheerleading teams again played prominent parts in supporting school athletic teams. The Junior Varsity team was headed by Glenda Minshull and Kathryn Boemig, while the Varsity squad was capably handled by Rogene Weed and Judy Hobbs of the Senior Class. In the annual North Country Cheerleading contest, held at the Community building, Woodsville High cheerleading placed second.

The athletic teams had excellent success in their endeavors. The boy's team, coached by Mr. Robert Dumais, won 10 and lost 12 games. The girls' team, coached by Miss Lois E. Litz, had an undefeated season, and for the 7th straight year, captured the Ammonoosuc League title. Truly, a remarkable record.

The baseball team, coached by Mr. John Matthews, won the Ammonoosuc League title by defeating Haverhill Academy in a playoff game at Lisbon 2 to 0. The season's record stood at 9 wins and 3 losses.

New athletic field and stands were built next to Woodsville High for the convenience of interscholastic and intramural competition.

Appreciation is herein expressed to Harvey Walker, William Brill, T. Borden Walker, the Fullerton Brothers, and many other civic-minded individuals and students who so immeasurably helped in making this field possible.

Financial Statement of Activities

Income:

Totals	\$ 1,068.46	\$ 2,221.43

Out of the total income of \$1,068.46, \$90.10 was used for baseball field construction, and the remainder of \$978.36 was turned in to Woodsville School District.

Appropriation	\$ 2,000.00
Activities Income	978.36

Total	\$ 2,978.36
Expenses	2,221.43

Balance for 1956-57	\$ 756.93
---------------------	-----------

Another appropriation of \$2,000.00 was made for the school year of 1956-57 with the stipulation that a certain part of the money be used for Grammar School activities. With the above balance left plus the \$2,000.00 appropriation, it is assumed that both schools will be able to carry on their school activities satisfactorily.

Curriculum

The academic standards of Woodsville High School have been kept at the highest level possible. Many old text books have been replaced by new. Innumerable number of films were used in conjunction with various courses, and several

field trips were taken by the Science and Social Science Departments.

In the fall of 1956, Mr. Mather Cleveland replaced Mr. John Stohrer in the English Department. Mr. Stohrer obtained a teaching position at Penacook High School. During the latter part of October, Mr. Cleveland became ill and his position was filled by Mrs. Eleanor Pendo. In Industrial Arts, Mr. John Gordon was hired to fill the position vacated by Mr. Alvin Chase who went to Dow Academy in Franconia. Mrs. Ruth Marshall replaced Mrs. Arlie Covell in the Home Economics Department.

General Information

The Cycle, the quarterly publication, was issued by the Commercial Department under the guidance of Mr. John Matthews and Mrs. Virginia Kendall.

Friday's assemblies continued to provide weekly diversions. These assemblies consisted of speakers, movies, plays, musical numbers and quiz contests. Most of them proved to be educational as well as entertaining.

It has been a pleasure for me to work with Supt. Phil Bennett and the School Board. Their constant thoughtfulness and cooperation in all matters made my work a pleasant one.

Respectfully submitted,
A. G. PENDO
Principal

The routine vision and hearing tests were completed. When defects were found, written notices were sent to the parents.

Physical examinations were done in grades 1, 4, and 8. The examination was done by the family physician or the school physician, Dr. E. C. Campbell.

One pupil attended the Child Guidance Clinic at Littleton, two pupils attended the Orthopedic Clinic at Hanover, and 4 pupils were examined at the Chest Clinic in Woodsville.

The Salk Polio vaccine became available to children through 14 years of age. All school children in this age group were given an opportunity to receive the vaccine. The polio clinics were sponsored by the State Department of Health and conducted by Mrs. Loretta Russell, R. N., Public Health Nurse in this area. I want to thank the following who gave so generously of their time and services: Dr. E. C. Campbell, Dr. Cyrus Eastman; Nurses, Eve Maecini, Mrs. Dale Cummings, Mabel Thayer, L. White, Doris Kennedy, Veda Adams; Nurses Aids, Flavia Scruggs, Barbara Weed, Dorothy Walker, Alba Cromwell; Recorder, Maude Schoff; the organizations that gave lollipops; and each and everyone that helped in any way to insure the success of this program.

I want to thank the Cohase Lions Club for their cooperation and assistance in the Sight Conservation Program, and the Progressive Club for sponsoring the mid-morning milk program.

I would like to thank Mrs. Henry Mann for her generous donation of clothing to be used wherever needed.

In closing, I want to express my appreciation to Mr. Bennett, the teachers, the parents, and all others interested in the School Health Program for their kind cooperation throughout the year.

*The starred items are required by law to be raised as determined by the proper authorities. The district determines the salaries of the district officers. The supervisory union board decides the local share of the superintendent's salary and other union expenses. The supervisory union's share of the Superintendent's salary for 1957-1958 is \$4,922.00 with \$1,000.00 allowed for travel. The State's share is \$2,500.00, total salary is \$7,422.00. The State Treasurer reports the amount of the per capita tax. The retirement board assesses the amount for the teachers' retirement.

1956-1957

The teaching staff of the secondary and elementary schools remained the same as for the 1955-1956 school year. All elementary teachers were transferred to the new classrooms at the central building in North Haverhill. Early in the year, the large enrollment in grade one necessitated the employment of a helping teacher. Mrs. Carrie Conery, of North Haverhill, accepted this position and has proven herself to be a valuable asset to the system. I feel very strongly that this additional position be continued for the next school year. Also, an additional instructor is essential for the academy staff for 1957-1958, where the enrollment is expected to reach 125 pupils. Mrs. Charlotte Wilson of Piermont replaced Mr. Gozzo as music instructor in the supervisory union.

The transfer of personnel and pupils to the new central school at North Haverhill was accomplished with a minimum of confusion, and the opening date was delayed by only eight days. A report of the building committee follows this report.

Underlying every school system there is an educational philosophy, assumed or expressed. With each succeeding generation, more persons work for others. This also brings new responsibilities to the schools. Each person today, more than ever before, needs to see the relationship between his work—and the quality of this work—and the welfare of himself, his family, and his community. Education is a privilege, a right, and a responsibility.

The constructive and cooperative efforts of, not only the teachers, the administrators, and board members, but also of the citizenry is hereby acknowledged with sincere appreciation.

The reports of Principal Jenkins, Mrs. LaMott, and the Building Committee will be found immediately following this report.

Respectfully submitted,

PHIL A. BENNETT

PRINCIPAL'S REPORT

To the Superintendent of Schools:

I submit herein my thirty-third annual report of Haverhill Academy and High School ending December 31, 1956.

The total enrollment for the school year 1956-57 beginning in September and ending on the above date is one hundred. Two have left school to date leaving the present enrollment at ninety-eight. There are seven tuition pupils. Five come from Piermont and one each from Benton and Warren.

Distributed by classes the enrollment is as follows:

	Boys	Girls	Totals
Seniors	3	6	9
Juniors	18	11	29
Sophomores	17	9	26
Freshmen	17	19	36
	<hr/> 55	<hr/> 45	<hr/> 100

Since there are but eight probable graduates in June and there will be thirty or more freshmen entering from the eighth grade next fall, the enrollment will reach one hundred twenty or more for the 1957-58 school year. This rather abrupt jump in enrollment will increase the number of pupils in some of the classes to the point where our already-crowded-small-class-rooms will not accommodate the increased number. This condition will make necessary a division of more classes into two groups, which in turn will require the addition of another teacher to the staff.

The abrupt increase in enrollment for next year is not a temporary condition. On the basis of the present enrollments in the eight grades of the grammar school, and assuming that the number of transfers and tuition pupils will about off-set the number of pupils who drop out, the high school enrollment for the next ten years will fluctuate between a low of approximately one hundred twenty and a high of one hundred forty.

Furthermore the addition of another teacher will not entirely remedy the situation. Some not too extensive, and we hope not too expensive, changes will have to be made in the present room arrangements to increase the number and size of some class-rooms.

The following pupils were awarded diplomas at the Commencement Exercises in June:

Merton Blake	Bruce Miller
Arlene Church	Shirley Norcross
Dean Clark	Jack Norman
Douglas Clark	Alice Noyes
John Ellsworth	Mark Noyes
Mary Ellsworth	Nancy Patten
Raoul Fournier	Ralph Reed, Jr.
Sanford Goss, Jr.	Patricia Robb
Jean Granger	Janice Sawyer
Jo Ann Jones	Doreen Tyler

Scholarship honors were won by Alice Noyes, Jack Norman, Bruce Miller and Arlene Church in the order named. The Scholarship, Loyalty, and Achievement Medal was awarded to Alice Noyes. Six of the twenty graduates are attending post-secondary colleges. Dean Clark, Bruce Miller, and Jack Norman are at the University of New Hampshire, Mary Ellsworth and Patricia Robb are at Concord Commercial College, and Alice Noyes is at Burdett Business College.

The Program of Studies has been changed in one particular only. U. S. Constitutional History which was formerly required of all Seniors has this year been required of both Juniors and Seniors. From now on it will be required in the junior year and Problems of Democracy will be required of all Seniors. There is beginning to be a trend toward a larger number of pupils who are electing the mathematics, science and language courses. This, in the writer's opinion, is a trend in the right direction. Not only because these subjects or areas of learning are a prerequisite to post-secondary education but because they offer to a higher degree a sufficient challenge to the more able student.

In connection with this part of the report it would seem pertinent to insert here some extracts, in abbreviated form, from the Department of Education's 1956 monograph pertaining to "Standards for New Hampshire High Schools:"

"The minimum program of studies for the last four years of high school shall provide for the following distribution of units:"

Required Units	8
Elective Units:	
Academic	12

Fine Arts	3
Practical Arts	12
	<hr/>
Total	35

"Small high schools offering selected subjects in alternate years will not be required to offer 35 units in any one year. However, at least 25 units must be offered in any given school year."

Required of all Pupils:

English	4 Units
Social Studies	2 Units
Mathematics	1 Unit
Science	1 Unit
Physical Education	3 periods per week throughout the four years

"At least 27 elective units must be available, distributed in the following pattern:"

Academic Subjects	12 Units
Fine Arts	3 Units
Practical Arts	12 Units

Total	27 Units

An examination of the above classified list of subjects reveals that we are:—

1. Exceeding standards in the total number of required units in the areas of English, mathematics, social studies, and science.
2. Below standards in physical education.
3. Exceeding standards in the total number of elective units in the academic subjects.
4. Below in fine arts area.
5. Below in practical arts area.

All pupils have an opportunity to participate in the extra-curricula activities. At least, none are denied the opportunity except for violation of the rules and low scholastic standing. A very large percentage do participate in one or more of the activities sponsored including baseball, basketball, track, soccer, glee club, dances, and the commencement activities.

The boys' basketball team won the League Championship for the second consecutive year and the baseball team ended the season in a triple tie with Woodsville and Lisbon for the League championship. They won from Lisbon in the play-offs but lost to Woodsville to take second place. The girls' basketball team won second place in the League losing to Woodsville by a single point.

Recent purchases of equipment and supplies made possible by the Trustees' appropriation include 80 additional folding chairs for Alumni Hall, power-driven pressure-vacuum pump and numerous pieces of electrical apparatus for the science laboratory, an adding machine and electric type-writer for the commercial department, reference dictionaries, and films.

Mrs. Chapman and her helper, Mrs. Edward Norcross, are serving excellent mid-day lunches to about 60 pupils and teachers in the new quarters in Southard Hall. One of the three rooms in Southard Hall, or Pearson Hall as it is more commonly known, was made into a very adequate and well equipped kitchen during the summer vacation. A second room is used as a dining room and the third room is used as a class-room. Next year it will be necessary to use the dining room as a class-room also.

The cooperation of everyone directly and indirectly connected with our school is gratefully acknowledged and much appreciated.

Respectfully submitted,
FRIEND H. JENKINS

The annual vision screening tests were completed in all schools. When defects were found, parents were notified.

The individual hearing tests were done in grades one, two, four, six, eight, ten, and twelve. When this screening test was failed, the child was given a complete audiometric test and referred, if necessary, to his family physician for further examination.

Another very successful Dental Clinic was held at Bradford, Vermont. Six morning clinics, 9 A.M.-12 Noon, were held with a total of 47 pupils attending. At the annual school district meeting, it was voted to raise \$200.00, instead of \$100.00, for the Dental Clinic. These clinics have proved their value and I would like to recommend that not less

than \$200.00 be raised by the town to help continue this program. I want to thank the Pike Grange H. E. Committee for their voluntary contribution to the dental clinic. Transportation for these clinics was provided by Mrs. Phyllis Cleveland, Mr. Edward Foss, Mrs. Carrie Conery, Mr. Roy Dunkley, Rev. Gerald Miller, and Mrs. Elmore Johnson.

The Salk Polio Vaccine became available to children through 14 years of age. Several polio clinics were held during the year and every school child in this age group was given an opportunity to receive the vaccine. The polio clinics were sponsored by the State Department of Health and were conducted by Mrs. Loretta B. Russell, R. N., Public Health Nurse in this area. I want to thank Drs. McKinlay, Eastman, and Campbell for their assistance and cooperation at these clinics.

The nurses who gave so generously of their time and services: Florence Clough, Eve Maccini, Helen Olsen, Florence Jones, Sadie Gibson, Dorothy Moulton, Mrs. Ford, Mrs. Pailes, Phyllis Cleveland, and Louise Giles; the Nurses Aides, Priscilla Stoddard, Helen Ford, and Dorothy Willis; the Committee, Mrs. Jane White, Myrna Cassady, Marylyn Reed, Mildred Hammond, Thelma Willey, Doris Miller, Velma Tyler, Margaret Stearns; the Organizations, Haverhill and North Haverhill Fire Department, V. F. W. No. 5245 and its Auxiliary, P. T. A., and any other that contributed to treats for the children and/or transportation to and from clinics; to each and everyone who contributed in any way to the success of this program, my thanks.

Two pupils were examined at the Chest Clinic. One was seen at the Orthopedic Clinic, and one pupil attended the Child Guidance Clinic.

I would like to take this opportunity to express my sincere appreciation to Mr. Bennett, to the teachers, the parents, and to all other local volunteers for their kind cooperation and support of the School Health Program this year.

REPORT OF HAVERHILL CENTRALIZED SCHOOL BUILDING COMMITTEE

A Building Committee was appointed by the Moderator as authorized by vote at the school district meeting of December 19, 1955. This committee consists of the Haverhill School Board, and Paul LaMott, William Eichhorn, and Herbert Bearse.

These men acted in an advisory capacity with the school board members to complete plans for the Centralized School Building at North Haverhill. Mr. Morris Olsen, Principal James Morrill, and Superintendent Phil Bennett were invited to sit in at committee meetings to assist the committee with professional and technical advice, as was Mr. Paul Farnum of the State Department of Education.

The firm of Hudson and Ingram, architects of Hanover, New Hampshire, were employed to complete the final draft of the building. After several joint meetings of the architect and the Building Committee, satisfactory plans were accepted and the notice of bids for construction of the building were posted. Late in February 1956, bids for the building project were received and a contract awarded to Charles J. Fiske, of Woodstock, Vermont, for a sum of \$117,943.00. This amount was revised in March to cover the additional cost of extending the activity room from the original length of 65' 4" to 81' 4", as voted at the annual district meeting. The revised contract is \$125,718.00. Bonds to the amount of \$135,000.00 were bought of the First New Hampshire Corporation of Concord, New Hampshire, at 3.2%, payable November 1 and May 1 on a 15-year issue. These bonds are negotiated through the Shawmut Bank of Boston, Massachusetts.

Excavation for the project had started by March 1st, 1956, and work has progressed satisfactorily to date, with only one set-back. Owing to the steel strike during the summer, delivery of the steel beams for the activity room was delayed for three months, thus preventing the completion of several items, primarily heating, ventilating, and lighting controls, as well as the activity room itself. Delivery of the steel was made on January 11th and erected on the 12th. Extreme weather conditions will now be the chief factor if future delay of construction is experienced.

The Committee wishes to express its appreciation to the V. F. W. for their activity in making playground space

available for this school site. Also, to all other citizens who have given generously of time and advice to make this project a success.

Upon the completion of the building, dedication exercises will be planned.

REPORT FROM THE WHITE MOUNTAINS REGION ASSOCIATION

Thanks to the fine co-operation of the towns in our Region, the Association has been able to carry on an extremely busy program aimed, as always, toward the benefiting of the entire northern part of New Hampshire.

To this end we have co-operated wherever it has been possible with any and all agencies that have been working along any lines that promised eventual benefit to any sort of business within our state and region borders. This is in line with the original Regional concept, that pooling of efforts can accomplish more than can be done by a lot of separate, smaller and unco-ordinated efforts. Nevertheless, along with this we continue our own individual projects and plans, where these promise to be more directly productive.

Again we have distributed all over the United States nearly 100,000 pieces of promotional literature of all types—maps, lists of places to stay, picture folders, hunting-and-fishing folders, and winter-vacation brochures. We know these arouse interest and bring business because people write for them from all over the map; they also tell us later on that these folders were of definite help in causing them to decide where to spend their vacation time—**AND MONEY!** Your town was represented in each and every one of these folders.

Our 4-H Awards Program continues to encourage boys and girls to take part in, and do better in, this fine and worthwhile program. Through cash awards to members and clubs, we are proud to be helping these youngsters to be the constructive farm citizens of our Region in the future.

We have planned and co-operated with the planning and carrying out, as well as the publicizing, of Old Home Days, Woodsman's Contest, Guides' Show, Community Festivals, Horse Shows, and the like, as well as planning and setting up one of our own, the White Mountains Region Art Center. We have spent a lot of time on the road, attending shows visited by hundreds of thousands of people in Boston, Hartford, and Philadelphia, and are planning more of such work.

As to results, we have again run a mail survey to find out what good we were accomplishing. From just one small sample (10% of 4,000) of our mail requests, we turned up 148 parties numbering 440 people who came here. Only *part* of *those* told us how much they spent here, but *that small*

part spent \$18,571.00!! Seems unbelievable until you realize you can't get by vacationing on much less than \$7.00 a day. Anyway, what they alone spent means that *from that small group* came back into this Region $2\frac{1}{2}$ *times* the total amount appropriated by our towns! Actually, there was much more.

What this means to every taxpayer is that much money, either direct income or tax income, came here to help take the burden off the local people. The man who never sees a tourist would be paying much more on his tax bill all through this state if visitors were not paying a substantial share of the freight! With your help, we'll continue to do our part in keeping the money coming in.

Respectfully submitted,

DAVID S. CASSEDY

Executive Secretary
